Secretary to the Govt. of H.H. the Maharaja of Mysore,

General a n d Revenue D e p a r t m e n t s.

Sir,

I have the honor to forward herewith, for favor of sanction, an estimate amounting to R$.1,710/8/- being the cost of Initial Outfit of the Experiment Station at the Sunkal Tank and to state that the cost thus proposed to be incurred can be met from the sum of R$.6,000, sanctioned out of the provision of R$.10,000/- made under 21 E. (6) Experimental Cultivation in the current year's Budget.

I have already ordered some 2,000 Fruit trees. Further we have the vegetable seeds already on hand and some 300 lbs of seed of Pastu Grasses are on the way from Australia.

The tools are urgently required to make an early start. If not expenditure on seeds and trees will be wasted, on the other hand a prompt start will ensure an early return of the expenditure.

Solicitng an early reply in the matter,

I have the honor to be,

Sir,

Your most obedient servant,

Economic Botanist,

Supt. Govt. Gardens.
